SUMMARY

Client Services Manager with 12+ years at Teleperformance (TP), owning performance reviews, business reviews (QBRs) and KPI governance for a 2,100+ person multi-client operation. Cut contact rate 14% with self-service and AI deflection, raised customer satisfaction (CSAT) 17%, and deployed GenAI agent-assist tools. Builds Power BI dashboards with voice-of-customer analytics and uses SQL and Python for root cause analysis. Leads cross-functional programs across operations, technology and finance. EMBA (Cardiff) and Electrical Engineering degree (Cairo University).

EXPERIENCE

Client Services Manager | Teleperformance (TP) | Cairo, Egypt May 2024 – Present

- Own client escalations, executive business reviews and stakeholder alignment; set customer-centricity milestones and track delivery against them.
- Lead a 2,100+ employee multi-line operation serving the US market through 3 Contact Center Managers, owning client relationship, P&L, SLAs and quarterly business reviews.
- Deployed GenAI agent-assist chatbots and automation tools, replacing 50% of support coaches needed for nesting during speed-to-proficiency.
- Present business and technology improvement roadmaps to clients at annual summits and QBRs.
- Partnered with Business Development to launch 3 new lines of business in 12 months, driving 127% headcount growth in 2024.
- Negotiated contract renewals and scope expansions with key clients, adding $2M in revenue.
- Grew revenue 42.6% on the US telecommunications account since taking the role in May 2024.
- Mentored 6 Operations Managers through the GROW program (20+ workshops).

Operations Manager | Teleperformance (TP) | Cairo, Egypt Mar 2022 – May 2024

- Raised customer satisfaction (CSAT) 17% by implementing COPC standards and continuous improvement.
- Designed self-service and in-app AI deflection strategy that reduced contact rate 14%.
- Built Power BI dashboards with intelligent-routing and voice-of-customer analytics, giving leaders real-time drill-down on all KPIs.
- Sponsored 2 Lean Six Sigma projects that raised employee satisfaction 11% and reduced annualized attrition 36.2%.
- Led training and accreditation programs that lifted product accreditation rates 20.35%.
- Delivered digital transformation program that cut operating cost 12% and improved service delivery time 35%.

Assistant Contact Center Manager | Teleperformance (TP) | Cairo, Egypt May 2020 – Mar 2022

- Owned monthly forecasting and capacity planning for revenue, facilities and resources; prepared budgets and analyzed variances.
- Built a speed-to-competency framework for new hires and trained supervisors on new KPIs and client processes.
- Created MIS and P&L reporting in Power BI from scratch (revenue, direct cost, gross margin), enabling real-time corrective action.
- Launched one of the largest e-commerce programs in MENA, ramping 400+ agents in one quarter with all KPIs green from go-live.
- Coached 11 supervisors through Educational Learning Plans.
- Developed a risk management framework that reduced operational risk incidents 43% and strengthened regulatory compliance.
- Applied COPC and TOPS standards across front and back office; redesigned the KPI matrix for end-to-end customer experience visibility.

Operations Supervisor | Teleperformance (TP) | Cairo, Egypt Aug 2019 – May 2020

- Ran training workshops that improved first-contact resolution 10%.
- Achieved the highest customer satisfaction rating in the department for 2 consecutive quarters.
- Managed and coached a team of 32 travel-sector agents, auditing transactions in the Sabre GDS.
- Applied Six Sigma tools to isolate performance outliers, reducing average handle time 14%.

Tier 2 Back Office Specialist | Teleperformance (TP) | Cairo, Egypt Sep 2015 – Aug 2019

- Onboarded and trained new team members, reducing nesting time 10%.
- Resolved escalated travel bookings and deferred transactions for the travel line of business.
- Supported rollout of a new CRM system, improving data accuracy and reporting through SQL Server.

Travel Consultant | Teleperformance (TP) | Cairo, Egypt Jul 2014 – Sep 2015

- Handled sales and customer service for travel bookings, sustaining over 95% first-contact resolution.
- Named Employee of the Month twice for performance and customer feedback.
